## The Good Neighbor Giveaway Event: A Day of Blessing and Being Blessed

A team effort went into making the May 20th event so successful. At least 33 people were involved in the event that brought neighbors together, showed God's grace, allowed some to reduce and others to gain treasures.

Comments heard at the event:

-“I have been an immigrant for 45 years and I have never seen anything quite like this. The people working are so nice...” From a man who took home treasures.

-“You are such a nice young man...” Told to a young teen, who gave one of his tickets to a little girl.

-“Will you be doing this event next year? I could bring over some things for others...” From a woman who took home treasures.

-“I have lived here for two years and don't know my neighbors...” From a man who lives just across the street from the church.

In addition, the church is **very thankful** for the following community help:

- † **Deseret** brought over a POD the Wednesday before the event, and took away what was leftover the Monday following the event.
- † **Aurora Rents** donated the use of traffic cones for the event.
- † **The Briarcrest Neighborhood Association** and the **Shoreline News** provided space in their newsletters to announce the event.
- † **The Shoreline Christian Reformed Church** allowed the use of 10 volunteer parking spaces.

## Tidbits and Reminders

**BOXTOPS FOR EDUCATION:** The school year is soon going to end, so if you are saving Educational Boxtops for Briarcrest Elementary School, please bring them to church by June 11 for them to count this year. Thank you all for supporting this effort!

**COINS OF COMPASSION:** Please remember to hold onto your extra change and bring it with you to church. By putting our coins together we can help make a difference in our community.

**PASTOR COMER:** Pastor Comer will return from her vacation on Monday June 12th.

**THANK YOU:** Many thanks to all the church members who work hard every week to maintain our church both inside and out, and help it to keep thriving!
