Shoreline Back to School Event

The Back to School event is a community effort that provides school supplies, haircuts, and clothing assistance for families in the Shoreline School District who are living with a low income and/or experiencing circumstances in their life that make it challenging to prepare their children for going back to school in the fall. For the past 17 years, the Shoreline community has come together to support our students and their success. This year they expect to serve 1,000 students.

The event will be Saturday, August 24, 2019 from 12:30 PM to 4:00PM at Ridgecrest Elementary School, 16516 10th Ave NE, Shoreline.

SUMC will be participating with our Coins of Compassion collection for the month of August to provide for all the school children in Shoreline, including Briarcrest. In addition, we will have the box for collecting school supplies, and other personal items such as socks, underwear, and deodorant as an optional opportunity for you to help.

The most needed school supplies are:

composition notebooks

ear buds

loose leaf dividers

pointed and blunt tip scissors

fine line color markers

scientific calculators.

The last date to bring donations to SUMC for this purpose is August 18th.

You can also be involved by volunteering prior to August 24th and the day of the event through the PTA group called, The Works. You may register a time of your choice online or by calling 206-393-4916 which is the information number for The Works. A volunteer experience of 2 hours helps your community and leaves you with a good memory.

Thank you all for your generous support!!!

GNS Survival Cooking Workshop Information

Shoreline United Methodist Church is offering a series of workshops for individuals 19-32 years old, who are living away from parents, are employed, and who need to know how to prepare tasty meals in 40 minutes or less.

These workshops will be offered on Thursday evenings, at 7 pm, on August 22, August 29, September 5, and September 19. Participants may enroll for one, two, three, or four workshops. This is a pilot project so there will be no charge, but enrollment is limited to eight per evening.

Instructors will explain and prepare two dishes in each workshop. Types of dishes include main dishes or entrees, pasta, side dishes, appetizers and sweets. Participants will sample each dish during the session.

We will ask for feedback after the series is completed. If you are interested in participating, please email us at **info@ShorelineUMC.org**. We will send you more information as it becomes available.

Shoreline UMC is located at 14511 – 25th Ave. NE, on the intersection of NE 145th and 25th Ave. NE. The Metro 65 bus also stops in front of the building. Our telephone number is 206.363.3040.
